

## Lightweight University Agreement

This is a binding agreement between Sing Core, Lightweight University (SCLU) and

Name:

Company Name:

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip code: \_\_\_\_\_, hereinafter referred to as Licensed Consultant.

Wherein SCLU agrees to support and provide key production technology, formats, procedures and designs to Licensed Consultant that until now were highly-guarded secrets of patented product technology.

It is our promise to put this sustainable true green technology into the hands of the average American working man, craftsman and trade professional. Making good on this promise, we have the ability to help anyone set up an independent manufacturing facility at little or no cost, with a minimum of work-area space required.

These processes, including the manufacture and use of the Sing panel beam press, will be disclosed to Licensed Consultants in an effort to promote this grass roots revolution.

### Requirements for Lightweight University Membership:

- 1) Have basic woodworking tools
  - a. Band Saw 12" opening
  - b. Wide Belt Sander
  - c. If above tools are not available we have other options available for you
- 2) Notify how many workers in your company or organization
- 3) Notify SCLU of the type product being made.
- 4) Send an email of finished products sent to [sales@singcore.com](mailto:sales@singcore.com) or [info@singhome.com](mailto:info@singhome.com) detailing specifics, pictures and description of the products made through this program.
- 5) Release of picture agreement to SCLU to use for marketing purposes.
- 6) Companies will pay for Shipping & Handling costs.
- 7) If this membership deal were to not work, everything from Sing Core must be returned, and will be given a ½ refund on membership deal.
- 8) Register to Sing Club and to Lightweight University "sign ups".
- 9) If license, patent, or any form of agreement is broken or copied the consultant will be required to pay any attorney fees.

### SingCore offers to you will include:

- 1) The ability to learn how to build Sing products.

- 2) Accessibility for tools in building Sing product at a discounted price.
- 3) Provide Sing Core blocks on consignment for members to store at their shop. Members shall pay for the core blocks after the use in a project.
- 4) We offer two sing core blocks (12 inch x 12 inch x 50 inch) to as consignment, you pay when you start to process or use it pay percentage according to the sales price as agreed upon. This is included in the first tuition. It will be extra charge of shipping, handling and service if more blocks required by you.
- 5) Royalty fee 5%

Licensed Consultant agrees to display Sing Core trademark representation of patented technology on their web site.

Licensed Consultant agrees to visit blogs online that feature discussions about their specific channels and areas of expertise, answering questions and willing to share their knowledge to help the others.

Licensed Consultant will provide SCLU with photos of any new products that are manufactured using patented Sing Core technology. Licensed Consultant agrees to release interest in any photos provided, allowing SCLU to use the photos in training, expanding the knowledgebase, marketing, research and development.

SCLU has the right to use photos to assure that Licensed Consultant is producing type and quality of product that is consistent with SCLU standards and to review accuracy of royalty value of products manufactured.

Licensed Consultant will consider participation in SCLU's online marketing program/store that will feature products manufactured and fulfilled by Licensed Consultant agreeing to the terms and conditions of said Marketing program/store.

Licensed Consultant agrees to pay shipping and handling of each Sing Core block (of approximately) \$60 per block (60 board ft) as on demand at your factory (floored) and pay the license and/or royalty fee when you start to use or manufacture using the Sing Core for your patented Sing products, plus 5% of the sale price as licensing and patent royalty fee.

This agreement may be terminated by either party with email or written notice.
